

## Kenneth Muscatel, PhD

411 – 12<sup>th</sup> Ave, Suite 305

Seattle, WA 98122

206/324-4443

### Neuropsychological Evaluation

**PLEASE ARRIVE ON TIME, Thank you**

**What to bring:** Glasses or contacts, hearing aids, beverages/snacks & medications if needed during the evaluation.

**About the appointment:** This neuropsychological evaluation assesses many aspects of cognitive abilities, including but not limited to, verbal and visual-spatial abilities, intellectual functioning, memory abilities, motor, effort, emotional, attention/concentration and reasoning. The session will last approximately 5-8 hours.

Our policy does not allow observation of actual test administration by third parties, such as family members, attorneys or their representatives, since such a presence would jeopardize test validity. Visitors are welcome to wait in the waiting area.
